REASONS FOR ALLOWANCE

1. Claims 1-10 allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art made of record fails to teach or fairly suggests in combination a second retrieving unit which is connected between said second table and said first retrieving unit and which outputs a coincidence signal and the store value corresponding to said store instruction as a load value, when the store instruction read from said second table according to the address for said load instruction coincides with the store instruction supplied from said first retrieving unit.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

MOORE (US 6,725,358 B1) discloses a processor and method having a load reorder queue that supports reservations.

FEISTE (US 6,266,767 B1) discloses a processor includes a preload queue for storing a plurality of preload entries
